

## WHOLE CHILD NETWORK PRESENTS: "The Living Matrix: the New Science of Healing" Film Screening & Discussion

*Learn New Insights into Our Bodies, Minds and Health*

Join us for a screening of the film "**The Living Matrix - the New Science of Healing**". This film brings you breakthroughs that will transform your understanding of **how to get well and stay well**.

Get an up-close look at **the science of information as medicine**. Leading researchers and health practitioners share their discoveries on the "miracle cures" traditional medicine can't explain.

*Change the way you think about health.*

"**The Living Matrix - the New Science of Healing**" features today's most innovative researchers, authors and health practitioners. Among those expanding the boundaries of alternative medicine:

- researcher and author of *The Field*, **Lynne McTaggart** explains the zero point field and its link to our health
- cell biologist and *The Biology of Belief* author **Bruce Lipton** talks about what controls our biology -- and it's not our genes
- biophysicist **James Oschman** helps us understand "the living matrix," the dynamic fabric of the body he brought to light
- discoverer of the human body field **Peter Fraser** describes how the body uses holographic information to maintain a state of balanced health
- healer and author **Dr. Eric Pearl** shares the story of a boy's miraculous healing through Reconnective Healing
- researchers and directors from the **Institute of HeartMath** share their latest research on heart-brain communication and the heart's key role in establishing emotional and energetic coherence.

*After the film screening, there will be an opportunity for group discussion and sharing.*

**Sharon Walsh**, Professional Bowen Therapist and Holistic Health Practitioner, will share her experience with **Reconnection Healing** and with the **Nutri-Energetics System**, modalities highlighted in this film.

**Angela Shim**, Licensed HeartMath 1:1 Provider, Certified Nutritional Practitioner & Energy Medicine Practitioner, will demonstrate the **emwave Desktop and Personal Stress Reliever (PSR)** software tools developed by the **Institute of HeartMath**.

*No Charge Event. Donations to the Whole Child Network appreciated*
